

SMART-FOLD* WRAP RACE GUIDELINES†

1

> Start with SMART-FOLD* laid out properly on a table, with tape dispenser near-by. Hold the tray a few inches above the table and wait for your Halyard Rep to say "Go!"

2

> Fold first layer over tray and cover completely.

3

> Gather side.

4

> Fold side up and secure with tab.
> Repeat steps 3-4 on other side.

5

> Gather top at both sides and fold inward.

8

> Throw your hands up to indicate that you are finished.

7

> Secure your tray with two pieces of indicator tape.
(No precut tape before start)

6

> Fold over to cover tray.

- Place SMART-FOLD* Wrap on a table and unfold
- Have tape dispenser near by. **NO precut tape** before start.
- Hold tray a few inches **above the table** (a towel or tray liner may be used under the tray, but is not required)
- Wait for your Halyard Rep to say "Go!"
- Time clock will begin as soon as the tray is placed on the table.
- Time ends when the top layer is taped in place with **2 pieces** of indicator tape and the contestant throws his/her hands in the air.
- Completed wrapped tray must be 'clinically acceptable'

† Please see Directions for Use or speak to a Halyard Health Representative for the complete and proper wrapping technique of SMART-FOLD* Wrap
