CARE

MEDICHOICE[®]

MEDICHOICE®

Commitment to Quality, Value & Service

The MediChoice® line of Traditional Wound Care includes an assortment of quality products to help meet your patient care needs. From woven and non-woven dressings to bandages and rolls, our MediChoice wound care portfolio offers a broad range of product options that provide everyday solutions for general wound care.

Comprised of high performing, affordable wound care products, our MediChoice line effectively addresses the ongoing issues of protection and infection prevention, while promoting optimal wound healing. Our traditional wound care portfolio gives clinicians and caregivers an array of essential products to help meet the daily challenges associated with wound care management.

Manufactured to rigorous quality standards, our extensive traditional wound care portfolio provides the great value and reliability that you have come to expect with MediChoice products. With near perfect fill rates and access to a nationwide sales and customer service team, you can count on our continued commitment to deliver exceptional service and support.

Table of Contents

Woven Dressings

- 4 Gauze Sponges
- 4 Cotton Filled Dental Sponge
- 5 Fluff Gauze Sponges
- 6 USP Type VII Gauze Sponges

Non-Woven Dressings

- 7 All-Purpose Gauze Sponges
- 8 IV Drain Split Gauze Sponges
- 8 Abdominal Pads

Non-Adherent Dry Dressings

- 9 Adhesive Island Dressings
- 10 Non-Adherent Pads
- 11 Fluff Gauze Bandage Rolls
- 12 3-Layer Compression Bandage System with Trak™ Bandage
- 13 3-Layer Reduced Compression Bandage System
- 13 4-Layer Compression Bandage System
- 14 Conforming Stretch Gauze Bandages
- 15 Arm Sleeves
- 15 Cohesive Bandages
- 16 Tubular Net Bandages
- 17 Paste Bandages
- 18 Woven Elastic Bandages
- 19 Knit Elastic Bandages
- 20 Tubular Elastic Support Bandages

Adhesives and Tapes

- 22 Transparent Film Dressings
- 23 Skin Closure Strips
- 24 Flexible Fabric Adhesive Bandages
- 24 Soft-Flex Adhesive Bandages
- 25 Children's Designer Adhesive Bandages
- 25 Sheer Adhesive Bandages

Wound Prep Solutions

- 26 Saline Wound Flush

Other Essentials

- 27 Cotton Balls
- 27 Cotton Tipped Applicators
- 28 Alcohol Prep Pads
- 28 Alcohol Swabsticks
- 29 BZK Towelettes
- 29 Cleansing Towelettes
- 30 Antibiotic Ointments
- 30 Adhesive Tape Remover Wipes
- 31 MediChoice Traditional Wound Care Cross Reference
- 39 Index by Catalog Number

Woven Dressings

Gauze Sponges

- Highly absorbent, 100% woven cotton
- Well suited for a variety of applications including general cleaning and prepping, wound dressing, wound debriding, and packing
- Available in a wide range of sizes and 8-ply, 12-ply, and 16-ply
- Available in soft packs, trays, and bulk bags
- Non-sterile packages are conveniently indexed in counts of 10 for faster, easier handling

NOT MADE WITH

Non-Adherent Dry Dressings

Adhesive Island Dressings

- General purpose bordered gauze dressing
- Easy to use all-in-one dressing is conformable and a gentle alternative to gauze and tape
- Non-adherent contact layer with absorptive pad
- Soft, absorbent pad allows light to moderate fluid absorption without adhering to the wound or disrupting healing tissue
- Non-woven, breathable and non-irritating adhesive border with rounded edges secures the dressing in place and protects the wound
- Split release liner for easy, one-step application
- Ideal for incision sites and other wounds as a primary or secondary dressing
- Available in a range of sizes
- Available in standard as well as plus option for increased fluid absorption

Bandages and Rolls

Cohesive Bandages

- Self-adherent wrap for even, consistent compression in retaining dressings, protecting wounds, immobilizing injuries or securing devices to patients
- Adheres only to itself and provides consistent compression to help minimize injured areas
- Slightly tacky feel eliminates slipping or loosening
- Fabric provides breathability and patient comfort
- Easy edge to quickly locate starting point of bandage
- Tears easily from the roll
- Color options available; random assortment of colors
- Textured surface enhances cohesive action for more uniform application and security
- Cohesive technology eliminates hardening or casting up

Bandages and Rolls

Knit Elastic Bandages

- Cool and comfortable cotton bandage
- Suitable for general support and compression
- Ideal secondary bandage
- Knitted construction provides superior absorbency and breathability
- Heavy gauge yarn and cotton covered spandex for superior tensile strength and compression
- Resistant to deterioration from ointments and medications
- Scalloped edges prevent rolling
- Double self-closure allows swift and easy application during surgical procedures
- Stretch enables bandage to better conform to applied surface
- Available with dual self-closure flaps or metal clip closures
- Length is stretched length
- Color-coded for easy size identification

Disclaimer

The manufacturers of the products contained in this catalog are the sources of all information herein relating to products, including, but not limited to, product content and warnings. Owens & Minor makes no representations or warranties expressed or implied regarding the product information contained herein. If further information about any product is desired, please contact an Owens & Minor representative, who will assist in obtaining the information from the manufacturer.

The cross reference is provided solely for your convenience in ordering. Owens & Minor disclaims all responsibility for its completeness and accuracy, whether or not the inaccuracy or incompleteness is due to fault or error by Owens & Minor. Caution should be exercised when using it to purchase any products by closely examining the product packaging and the labeling prior to use.

MEDI CHOICE®

OWENS & MINOR, INC (NYSE: OMI) is a global healthcare solutions company dedicated to Connecting the World of Medical Products to the Point of CareSM by providing vital supply chain services to healthcare providers and manufacturers of healthcare products. Owens & Minor provides logistics solutions across the spectrum of medical products from disposable medical supplies to devices and implants. With logistics platforms strategically located in the United States and Europe, Owens & Minor serves markets where three quarters of global healthcare spending occurs. Owens & Minor's customers span the healthcare market from independent hospitals to large integrated healthcare networks, as well as group purchasing organizations, healthcare products manufacturers, the federal government, and healthcare patients at home through its Byram Healthcare subsidiary. A FORTUNE 500 company, Owens & Minor is headquartered in Richmond, Virginia, and has annualized revenues exceeding \$9 billion. For more information about Owens & Minor, visit owens-minor.com, follow @Owens_Minor on Twitter, and connect on LinkedIn at www.linkedin.com/company/owens-&-minor.
