

INTRODUCING HALYARD* CUSTOM PROCEDURE TRAYS

The HALYARD* brand is known for quality, innovation and a focus on what healthcare customers need. Now that's what you can expect from **HALYARD* Custom Procedure Trays**, an innovative CPT solution designed to assure you a reliable supply of the trays you need now - and for the long term.

UNMATCHED SURGICAL PORTFOLIO

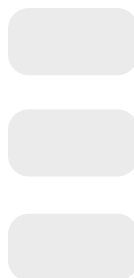

In addition to best-in-class products, we have a fully tiered portfolio to meet your clinical and financial needs at every level.

BETTER SUPPLY CHAIN CONTROL

Our unique Americas-based kitting and supply chain for key components give you greater peace of mind.

RELIABLE SUPPLY EVEN IN TIMES OF CRISIS.

With gowns and drapes made in our own plants using our own fabric, we have the proven ability to ramp up quickly to meet demand during disasters and health crises.

THE INNOVATIVE CUSTOM PACK PROGRAM DESIGNED TO **EMPOWER** YOU TO ACHIEVE YOUR CLINICAL AND FINANCIAL GOALS **LONG TERM**.

When it comes to custom packs, you should feel confident that your supplier has your best interests in mind. That's why the **HALYARD PACT PROGRAM*** is based on:

1 AMERICAN MANUFACTURING AND SUPPLY CHAIN

With our vertically integrated supply chain for products that make up the majority of your tray components, we can offer you reliable delivery with fewer supply disruptions.

2 OUR CUSTOMER-FIRST APPROACH

We provide complete line-of-site to components and involve you in any necessary substitutions so you can always make informed decisions.

3 ALIGNMENT WITH YOUR GOALS

Our O.R. experts and organization are measured on how well we achieve your system's goals – not on increasing our own profits.

4 INDUSTRY BENCHMARK ANALYTICS

Access to procedural insights from our database plus global industry benchmark data help you optimize your CPT program system wide.

5 AN EXPERT CLINICAL O.R. ASSESSMENT TEAM

Ongoing CPT reviews help reduce waste and ensure your trays are performing to your expectations while providing healthy savings.

6 A TURN-KEY CONVERSION PROCESS

Our proprietary, six-sigma conversion process sets your O.R.s up for a successful conversion, and we partner with you every step of the way.

As your CPT provider, we pledge to be your reliable partner for the long term. It's a pact we take very seriously - and we look forward to partnering with you.
