HALYARD

CARDIOVASCULAR DRAPES

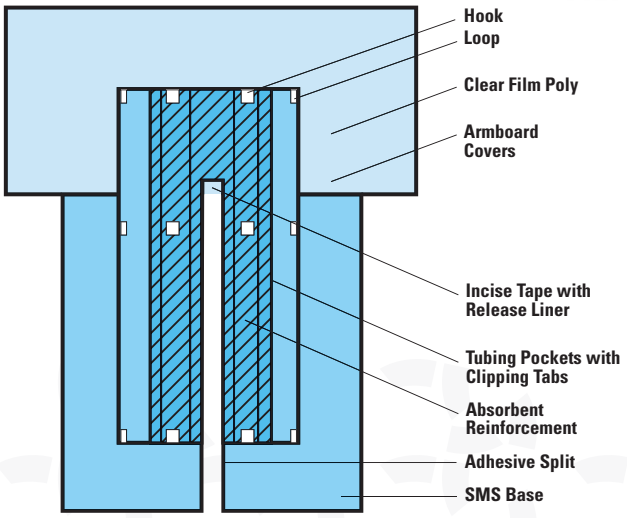

DRAPES DESIGNED TO PROTECT YOU AND YOUR PATIENTS IN CARDIOVASCULAR SURGERY

Now you have more choice than ever with HALYARD* CVArts* Drapes that deliver performance, protection and convenience, with heavy-duty SMS fabric made to withstand the rigors of lengthy cardiac procedures.

THE RIGHT DRAPE FOR EVERY PROCEDURE

As a recognized leader in the development of high-performancemedical fabrics, Halyard holds over 650 patents for advanced nonwovens materials. HALYARD* Surgical Drapes made with SMS and CONTROL* Plus reinforcement fabric provide the critical balance of properties your demanding work requires.

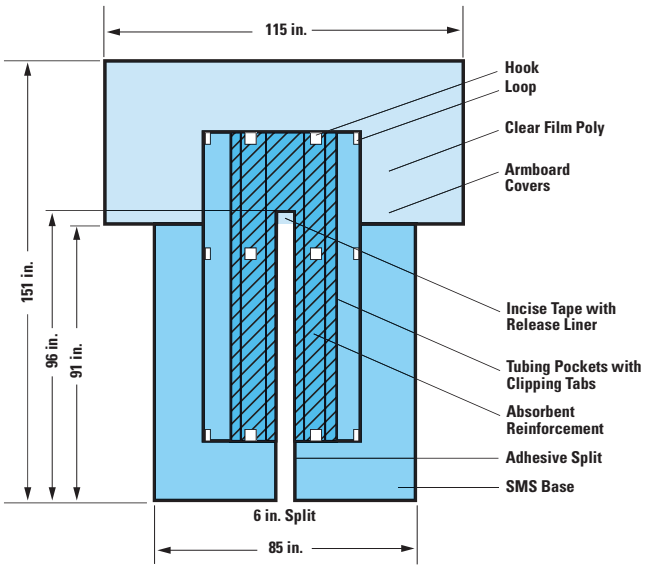

- CONTROL* Plus reinforcement fabric provides the highest rating for flame resistance[1] and resistance to laser ignition[2]
- Low-lint[3] and abrasion-resistant fabric[4]
- Fabric resistant to tearing[5] and strikethrough[6]
- Surgical Drapes with CONTROL* Plus reinforcement fabric meets AAMI Level 4 liquid barrier performance test requirements[6]

CARDIOVASCULAR DRAPES

5 Digit Code	Type	Description	Case Count
29234	**Sterile**	**CVARTS* Clearview Split Drape with Large Clear Anesthesia Screen and Pockets**	**5**
