A composite image for a dental product advertisement. The background shows a dentist in a clinical setting, wearing a white lab coat, a blue surgical mask, and purple gloves, using dental instruments on a patient. Overlaid on the left side is a red, furry, cartoonish creature with large eyes, surrounded by several green, spiky virus-like particles. The text is centered in the middle of the image, with a white line connecting the words "PATIENTS!" and "PROTECTION." to form a bracket-like shape.
