YOUR WORK IS ESSENTIAL
AND SO ARE

YOU

Celebrating Sterile Processing Week:
October 10-16, 2021

With all that's going on, remember to
TAKE CARE OF YOU.

These last two years are likely the most challenging that hospital staff have ever faced.

In the SP department, you've had to pivot and quickly adjust to so many tough situations — and you've done it successfully.

At O&M Halyard, we applaud your skill and willingness to provide support to patient care under such extraordinary circumstances.

We also recognize the importance of taking care of YOU. For that reason, we'd like to offer a special accredited SP week course: **Stress in the SPD.**

As we all look forward to a time when this will finally come to an end, know O&M Halyard will be here to support you along the way.
